Hedgerow Heroes  
project

## The Plant-lore of our English Hedgerows - discovering the former uses and folklore of our common hedgerow plants

Friday 30<sup>th</sup> July (2pm to 4pm) - Treverward (near Clun)  
Saturday 31<sup>st</sup> July (10am to 12 noon) - Bishops Castle

Join Roy Vickery, plant lore expert and botanist ([www.plant-lore.com](http://www.plant-lore.com)) for a summer walk around the hedges looking at our common native hedgerow plants, flowers and 'weeds', learning how they were once used and the stories and folklore that have built up around them.

Numbers are limited. Booking is essential (the meeting point and further information will be given at time of booking).

For information on CPRE's 2021/22 hedgerow project and how we plan to plant new and restore old hedgerows in South Shropshire (as well as our programme of hedge walks, talks and hedge-laying training) see [www.cpreshropshire.org.uk/hedgerow-project](http://www.cpreshropshire.org.uk/hedgerow-project)

Want to help us plant  
new hedges this  
autumn/winter in  
South Shropshire?

We will be looking for  
volunteers to help us!  
Get in touch! Training  
will be given.
